British Educational Research Journal, 26(3), 393-407: This article explores the different attitudes of English girls and boys to General Certificate of Secondary Education work. It provides suggestions to account for the differences, particularly related to peer pressure, image, and social groupings and shows that boys were ridiculed more for working hard and were under greater pressure to conform to a cool, masculine image.

GIVEN their number in current and past cabinets, it may be inferred that an Etonian education is a pre-requisite for benign and balanced government ministers. Whether this applied to alumni before 1900 is open to question. For many, their upbringing walked a fine line between farce and savagery. The ...

Although various theories describe mechanisms leading to differential parenting of boys and girls, there is no consensus about the extent to which parents do treat their sons and daughters differently. The last meta-analyses on the subject were conducted more than fifteen years ago, and changes in gender-specific child rearing in the past decade are quite plausible. In the current set of meta ...

In 1864, the school contained 111 boys and 75 girls. Hornsey School site, 1862. The school was enlarged in 1871 with accommodation for an extra 12 pupils, together with industrial trainers. In the same year, the school was described as 'a sort of juvenile workhouse' where 95 boys, 86 girls, and 72 infants were clothed and taught.

### The Workhouse in Islington (St Mary), London: Middlesex

Paying tribute to her son earlier this year, Imani's mother Keetha Allaway said: "He was a vulnerable boy. His brain was just so innocent. He was 6ft 2 and very handsome, but he was just a gentle giant. "He did voluntary work with my mum twice a week, helping children with special needs. He loved children and he was so attentive.

writers. The second prompt requires a more detailed answer for your young one to write or for them to dictate to an adult. But there's more! On the facing page there is an opportunity for your young person to draw a picture, anything they'd like and write what it is. Each prompt page has a space for the date and an emoji where your young person can draw how they are feeling that day. In addition, on the facing page is a word of affirmation! This is a great and easy way for youngsters to begin a lifelong love of writing. This journal has 104 prompts, enough for a year of writing once a week or more often if they'd like!

It's the ultimate diary that boys will want to write in, draw on, and lock up. DUDE Diary comes with a lock and key so all the awesomeness can never be leaked out. Access denied to anyone but the owner. Sweet!

Simple but powerful, Journal Buddies is no ordinary journal. It is an invitation to experience a journaling adventure and to expand creativity and express feelings. It is an opportunity to strengthen self-esteem, build healthy relationships and create a positive outlook on life. It is a unique journal created with the help of important people in life, such as friends, parents, teachers, family members, etc.

Kids Journal To Write In: Draw and Write Journals are great for getting youngsters to develop stories and create a keepsake book that can be used for years and years. The journal is beautifully designed for children with prompts on each page to write down everything they did for the day. Measuring 8.5" x 11" paperback, every page has a space which encourages children to use their imagination by drawing a picture of what they did for the day. There's a lined writing section that prompts them to write extended stories with the who, what, when, where and why concept on each page to encourage them to really think about what they are writing. Click inside to take a look at the layout. This kids journal to write in is the only journal that forces children to think about what they are writing and develop their English language skills. This is the perfect gift for smart kids (age 4-10) who love to draw and write. Order your copy of the Kids Journal To Write In today.
