McKeachie ' s Teaching Tips provides a
valuable mix of educational theory and
practical advice for instructors in higher
education. The book is geared towards
graduate students, who typically receive
little formal training in instructional
methodology, but is also helpful for more
experienced instructors who haven ' t had
time to immerse themselves in the vast
literature of teaching effectiveness.

applies to online learning. This much-needed resource provides specific strategies for incorporating this knowledge into effective learner-centered teaching that gets results. The book includes strategies on motivation, tailored instruction, interaction, collaboration, monitoring and communication, time and information management, student concerns, and legal and ethical issues. Designed as a text for online instructors, the chapters can be used for self-directed learning or in a formal training setting in concert with the companion Training Manual and CD. "Tina Stavredes has done something sorely needed in the online teaching world —she has successfully combined solid theory and research with the practical application of instructor training. Both the book and the training manual are a 'must' for any online education organization. Bravo!"—Dr.

Praise for Powerful Techniques for Teaching Adults "Stephen Brookfield has used his gifts for clear thinking and lucid writing to produce this theoretically informed, immensely practical book on how the dynamics of power and adult teaching intersect. It should be required reading for everyone who teaches adults." ??—Ronald M. Cervero, professor and associated dean, College of Education, University of Georgia "In one of his most personal, emotionally candid, and accessible books yet, Stephen Brookfield shares his passionate and indispensable commitment to empowering the learner both inside and outside the formal classroom, offering a trove of exercises, stories, and practical teaching tips to confront the hidden curriculum of

power head on. For any teacher, coach, supervisor, or mentor who cares deeply about adult learning, here's a true gem from one of our great contemporary adult educators."—Laurent A. Parks

Daloz, senior fellow, The

Whidbey Institute "This book is not about increasing your power as a teacher— it is about the dynamics of power in the adult classroom, challenging power structures, and the techniques teachers can use to empower learners. Brookfield's uses the lens of 'power' to distill, for the practitioner, ??a lifetime's work of scholarly and practical engagement with adult teaching and learning.'"—Mark Tennant, emeritus professor, University of Technology, Sydney, Australia
