If you are new to the workforce or want to jump start your career, Thriving At Work delivers a proven and practical roadmap to achieve success from day one and throughout your career. More than a dozen executives from well-known multi-national companies have given their complete endorsement after reviewing this book. Even though most companies today believe college graduates lack the crucial skills to be ready and to succeed in the workplace, Michael Dam wants to help you prove them wrong. Drawing from over twenty five years of professional as well as teaching experience, the author shared his insight and real life examples that will help you fast track your career, avoid potential pitfalls and not having to learn the hard way. Designed and organized for easy reading, the book is split into different sections, so you can easily read about the topics you're interested in at the moment, and be able to refer back to the book throughout your career. The author discusses at length on topics such as getting the right job, getting a head start and standing out at work, handling pressure situations, dealing with difficult co-workers and managers, managing your career paths, and successfully navigating the many challenges you will face throughout your career. A great companion for college graduates and seasoned professionals alike, Thriving At Work is a timeless book for achieving career success.¿

A Newly Revised Edition of the Comprehensive Go-To Guide for Any Animation Artist! "Your Career in Animation is the most comprehensive and valuable book on animation careers that you'll ever need." —Bill Plympton, Animator / Producer Whether you want to break into the animation industry or "toon up" to a better career, this comprehensive guide will show you how. A leading animation professional surveys the field and shares the advice of more than one hundred and fifty top talents in the business of making toons—including Brooke Keesling, head of animation talent development at Bento Box, Mike Hollingsworth, supervising director of BoJack Horseman; Andrea Fernandez, art director on The Cuphead Show! PES, Oscar-nominated stop-motion director of Fresh Guacamole; Linda Simensky, head of content for PBS Kids; Minty Lewis, co-creator of The Great North; Ross Bollinger, YouTube sensation with his Pencilmation channel, and executives from Nickelodeon, Disney TVA, Titmouse, Inc., Frederator, PBS Kids, Netflix, 9 Story Media Group, Cartoon Network; and dozens of others. Learn how to: • Get the most out of your animation education • Build a portfolio, reel, and resume • Keep your skills marketable for years to come • Network effectively • Learn from on-the-job criticism • Cope with unemployment • Start your own studio or build an indie brand online • Pitch and sell a show of your own • And more! Also included are invaluable resources such as animation schools, societies, film festivals, events, Web sites, and publications. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

Updated in 2017 with a new author's note and chapter on building effective business relationships! "Penned by an exceptionally bright woman whose ideas will enlighten you, brighten and brilliantly ignite vision in all who read it. Out of the matrix of her wisdom emerges a book that will revolutionize your life and may very well alter your thinking as we go into a new era of time. A must-read!"—Bishop T.D. Jakes, New York Times bestselling author of Reposition Yourself: Living Life Without Limits Carla Harris, one of the most successful and respected women in business, shares advice, tips, and strategies for surviving in any workplace environment. While climbing the corporate ladder, Harris had her own missteps and celebrated numerous victories. She vowed that when she reached senior management, and people came to her for advice, she would provide them with the tools and strategies honed by her experience. "Carla's Pearls" have become the centerpiece for her many speeches and television appearances. Now, Carla shares these valuable lessons, including: · Authenticity: The Power is You · The Ninety-Day Rule · Perception is the Copilot to Reality · The Mentor, the Sponsor, the Adviser: Having Them All · Leverage Your Voice · Balance is a Necessity: Use Your Passions to Achieve It · Expect to Win: Show Up with Your Best Self Every Day Expect to Win is an inspirational must-read for anyone seeking battle-tested tools for fulfilling their true potential.

Little is more feared by the average consumer than becoming unemployed. It reduces ones standard of living and in many people creates a number of debilitating physical, emotional, and behavioral problems. In The First 30 Days after Losing Your Job David Jones draws from his own experience of losing his job, wrestling with the effects it had on both he and his family, how they eventually were able to begin moving forward.

How long do you stay in each job? Millions of us change roles on average every three years. A nation of job-hoppers, every promotion or change presents the same issues and worries and there's no getting away from those first day nerves. Ultimate New Job will prepare you for the toughest few months of your life, when fitting in is everything and first impressions count. Covering every aspect of starting a new job or internship, it tackles the top fifteen questions that people ask when starting a new position, from handling the offer and resigning from your current post, to researching the organisation, networking and finding your place within the team. With realistic, practical advice, Ultimate New Job tackles all of your concerns head on, making your first weeks and months as smooth a transition as possible - for you and your new employer.

The author offers advice for starting a career in animation gained from interviews with animators of such shows as "The Incredibles" and "SpongeBob SquarePants."

What do Elon Musk, Warren Buffet, Marissa Mayer, and Bill Gates all have in common outside of being wildly successful? They are all introverts. In today's fast-paced, unstable workplace achieving success requires speaking up, promoting oneself and one's ideas, and taking initiative. Extroverts, fearless in tooting their own horns, naturally thrive in this environment, but introverts often stumble. If you question your ability to

perform and succeed in this extroverted work culture, The Introvert's Complete Career Guide is custom fit for you. In this supportive, all-inclusive handbook, Jane Finkle demonstrates how to use your introverted qualities to their best advantage, then add a sprinkling of extroverted skills to round out a forceful combination for ultimate career success. Finkle shares the keys to navigating each stage of professional development—from self-assessment and job searching, to survival in a new position and career advancement. In The Introvert's Complete Career Guide you will learn to: Build confidence by evaluating your values, personality style, interests, and achievements Write the story of your career in resume and LinkedIn formats Use social media at your own comfort level to promote your career and expand your network Express yourself clearly and confidently in network meetings, interviews, and workplace situations Build strong professional relationships with colleagues and senior leaders Overcome fears that prevent you from embracing new challenges Equally applicable to the real or virtual workplace, The Introvert's Complete Career Guide provides strategies, tools, and success stories that win you the professional respect and recognition you deserve.

Are you seeking meaning and fulfillment in your life? We all have an innate need to know and feel that our lives are significant. Take heart therefore because you are not alone. The challenge is that we live at an age where information and choices flood our sensory senses at a quantum speed. So, if your answer is yes, I wrote this book journal for you. I firmly believe that we are living at a very interesting time, when all of us are being challenged one way or another. Therefore, if you do not know who you are, why you are, where you are and when you are—escaping from the snare of this era will not only be difficult, but will likely leave you in a state of apathy, frustrations, confusion, or tossed to and from by the winds of likes and follow clicks on the social media sphere, and that is not your Creator's desire and will for you and I.
