Visual Alchemy. The Fine Art of Digital Montage. This book by Catherine McIntyre is one of the most beautiful I have seen. She is a digital artist who uses drawing, found objects, photography and digital processes to make stunning works of art. I read her book right at the beginning of the second part of this project.

Mar 8, 2020 - Alchemy is an influential philosophical tradition whose early practitioners claims to profound powers were known from antiquity. The defining objectives of alchemy are varied; these include the creation of the fabled philosopher's stone possessing powers including the capability of turning base metals into the noble metals of gold and silver, as well as an elixir of life ...
